**Tapestry: A Book Club Recommendation!** Beth Duke

**Beth Duke, Author of #1 Best Seller It All Comes Back to You, delivers an emotional and inspiring novel about family, from the roots that ground us to the branches that allow us to take flight.**

**"Beth Duke is a poet disguised as a Southern novelist.**

**Tapestry made me laugh, made me think and in the end, made me cry.**

**Tapestry delivers on ALL counts."**

**-Dan Brown, Author of Reunion**

Twenty-one-year-old Skye Willis lives in Eufaula, Alabama, a tourist mecca of stately homes and world-class bass fishing. Her childhood friends are either stuck at dead ends or have moved on to accomplish Big Things.

Skye's grandmother, Verna, insists on being called "Sparrow" because she suspects her ancestors were Muscogee Creek. She dresses in faux deerskin and experiments with ancient Native American recipes, offering a myth or legend to anyone who will listen.

Skye has no idea what to do with her life. She's smart as hell, but she has no faith or knowledge there's something out there she was "born to do." Nor does she know much of anything about her father, who died in Afghanistan when she was a toddler. He and his family are a mystery her mother won't discuss. But when Sparrow sets out to confirm her Creek ancestry through genetic testing, Skye joins in.

The results hit like a DNA bomb, launching them both on a path filled with surprises and life-changing events. Skye learns a harder truth than she ever expected.

Alternating chapters between Skye's Alabama life and an intertwining tale of greed, deceit, and control in Texas, this story offers proof that all life is a woven tapestry of past, present, and future.

**In Beth Duke's uplifting and soul-singing voice, TAPESTRY is Southern Fiction at its best; you will cry, you will laugh out loud, and you will wish you were a member of the beautiful, matriarchal family Duke has created for her readers.**

**This book is a must-read for fans of Fannie Flagg, Anne Rivers Siddons, and Rebecca Wells.**

This was just such a beautiful and heartwarming story of family, ancestry and love. I was enthralled during the whole book and couldn't put it down. Beth Duke's writing hit a chord within me and I loved reading this book so much. Skye is such a realistic character, as is Verna or "Sparrow". I totally fell in love with Verna and I thought that her thread in the story was so important, it held it's own message.

I really did love this book and would recommend it to everyone!

**Maureen says**

**I loved this book!**

This book taught me all kinds of informative, interesting, no, fascinating things about the history of the Creek Indians in Alabama. I live in bell Alabama now, a recent transplants, and never knew about The famous Wichapi stone wall near Florence, Alabama Which commemorates an amazing creek Indian woman who walked the tragic trail of tears in 1830 and actually walked back to Alabama all by herself coming years later. It took her 5 years to do it. Her great great grandson built the stone walled commemorate her amazing journey. The book also taught me about the battle of Horseshoe Bend, Where the creek Indians were defeated, leading to the eventual trail of tears. And it taught me about Alabama's Africat, aka Cotide, which was started and populated by freed slaves who originally came to Alabama on the very last slave ship to bring Africans to this country. All this interesting history is woven into an equally interesting modern day story. I I love it when a book that I don't entertains you come up but also teaches you something mean and fault about history. 5 stars for this book!

**Wanda says**

This was recommended to me because I loved It All Comes Back to You, which we read for book club. This story was even better than that one for me. I cried three times while I was reading it. If you care about history and family and ancestry, this is a must read.
